**Legislation Title:**

AN ORDINANCE accepting funds from the Workforce Development Council of Seattle-King County allocated through the American Recovery and Reinvestment Act of 2009; authorizing the Mayor or his designee to execute related agreements; amending the 2009 Adopted Budget to increase appropriations for the Human Services Department; and ratifying and confirming certain prior acts; all by a three-fourths vote of the City Council.

- **Summary of the Legislation:**

This legislation authorizes the acceptance of grant funds made available through the American Recovery and Reinvestment Act of 2009 ("ARRA") and increases the 2009 Human Services Department Adopted Budget to authorize new expenditures.

- **Background:**

The American Recovery and Reinvestment Act of 2009 has \$1.2 billion in Workforce Investment Act ("WIA") funds to provide employment and training opportunities to youth and young adults who are experiencing barriers to employment. Of this total, King County received \$3,111,122 through a formula allocation, and is distributing these funds to recipients through a competitive process. Based on the City's successful application to the Workforce Development Council of Seattle-King County ("WDC"), the City has received approval to be reimbursed from WIA Youth Services funds for City expenditures in the amount of \$1,130,543. These funds will support the City's efforts to provide summer employment opportunities for up to 245 youth ages 16 to 24. These work experiences will teach participants job and social skills, provide positive role models, and help participants become more competitive in the workplace. Funding is only for the summer of 2009 with the contract between the WDC and the City of Seattle effective May 1, 2009 to October 31, 2009.

## Office of the Mayor

June 30, 2009

Honorable Richard Conlin  
President  
Seattle City Council  
City Hall, 2<sup>nd</sup> Floor

Dear Council President Conlin:

I am pleased to transmit the attached proposed Council Bill, which accepts \$1,130,543 in federal stimulus Workforce Investment Act (WIA) Youth Services funds through the Workforce Development Council (WDC) of Seattle-King County. The Council Bill also increases appropriations to reflect the anticipated receipt of these funds.

The American Recovery and Reinvestment Act of 2009 has allocated \$3.1 million by formula to King County, which has in turn awarded the funds to jurisdictions through a competitive grant process to provide employment and training experiences for youth and young adults ages 16 to 24 who are experiencing barriers to employment.

The City applied for, and has received confirmation of, a funding allocation of federal stimulus WIA funds in the amount of \$1,130,543. ARRA funds will support the City's efforts to provide meaningful summer employment opportunities for up to 245 youth ages 16 to 24. These work experiences will teach participants job and social skills, provide positive role models, and help participants become more competitive in the workplace. Funding is only for the summer of 2009, with the contract between the WDC and the City of Seattle effective May 1, 2009 to October 31, 2009.

Thank you for your consideration of this legislation. Should you have questions, please contact Eric Anderson at 386-1009.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Nickels", written over the printed name and title.

GREG NICKELS  
Mayor of Seattle
